

MAGIC UNDER THE MANGROVES

Dear Conservancy Friend:

Each year the Conservancy of Southwest Florida hosts the Magic Under the Mangroves™ fundraiser. The funds raised from this event support the Conservancy's efforts to preserve Southwest Florida's unique natural environment and quality of life. This includes education programs for schoolchildren, sea turtle tracking and protection, wildlife rehabilitation, monitoring water quality and health, environmental protection through sound policy development, and scientific research and field work.

This year Magic Under the Mangroves™ will be held on Thursday, March 3, 2022 at the Conservancy of Southwest Florida. The event attracts the most affluent and influential members of our community, making it an ideal audience for showcasing your business. The Conservancy will host an event night auction where your generosity will help fund programs that protect Southwest Florida's water, land, wildlife & future!

In exchange for your donation, you will receive:

- Recognition as an auction donor in the Auction Catalog.
- Recognition during the event via auction item display signage.
- The opportunity to provide collateral for table display at event auction and/or distribution to the winning bidder(s).

Donated items might qualify as a tax deduction. If you would like more information on the IRS rules, please check the box and also inquire with your tax advisor for deductibility.
