FUNDING THE **FIGHT** FOR CLEAN WATER

An underwater scene with a blue tint. In the foreground, a man with a beard and glasses is looking towards the camera. To his right, another person wearing a hard hat and safety glasses is looking down. A large fish is visible in the background. The overall atmosphere is serene and focused on water quality.

Help **support**  
efforts to  
protect our most  
valuable natural  
resource, our  
**water.**

FUNDING THE **FIGHT** FOR CLEAN WATER

## About Us

The Conservancy's RedSnook Charity Tournament supports efforts to protect our most valuable natural resource, our water. Without clean and abundant water, recreational and sport fishing would not exist.

Over the years, the funds raised at the RedSnook Charity Tournament has helped support the Conservancy's water quality work in several ways, including:

- Providing assistance and expertise to water quality projects at the local, state and federal level.
- Creating the "Estuaries Report Card," which rates the condition of our region's vital waters.
- Working to limit the amount of pollution from the north that enters Southwest Florida's water.
- Researching and monitoring juvenile gamefish habitats.
- Helping to restore the Western Everglades and Ten Thousand Islands.
- Working to protect the Ten Thousand Islands, Big Cypress, Estero Bay, the Cocohatchee Slough and the Caloosahatchee River.

The Conservancy is proud to partner with local anglers and guides to help protect our waterways. Supporting the Conservancy's RedSnook Charity Tournament funds the fight for clean water.
