FAMILY VINEYARDS

## 4 NIGHT STAY AT PRIVATE YOUNTVILLE GUEST HOUSE PRIVATE TOUR AND TASTING

Gamble Family Vineyards is a small production, family owned, private winery located in the heart of the Napa Valley. Our wines are produced from our estate vineyards located right outside our front door in Oakville, as well as some of the Napa Valley's most respected regions. While our style is reminiscent of Bordeaux, our Winemaker Phillippe Melka continually produces prestigious, well-balanced wines that stay true to our terroir. The Gamble family has been farming the Napa Valley since 1916, and every wine we produce is cultivated with their dedication to the land in mind.

Your visit will include a four-night stay, with accommodations ideal for four couples, at the Gamble family's private guest house. Located just outside the town of Yountville, this beautifully appointed home, tucked away on the Napa River, truly captures wine country living and lifestyle at its best. The home has two king rooms with en-suite bathrooms, two queen rooms and chef's kitchen. The outdoor living space is ideal for lounging and entertaining, with multiple decks, a pergola for outdoor dining, and a swimming pool.

You will also enjoy an intimate tour and tasting at our private winery in Oakville. Surrounded by vineyards, rolling hills, and 120-year-old barns, our historic property features a beautiful venue that embodies Napa Valley, the way it used to be. We invite you to join us, relax, taste and enjoy the company of your loved ones.
