October 25-27, 2024 Auction Donation Form

Dear Conservancy Friend,

Each year the Conservancy of Southwest Florida hosts the RedSnook Catch & Release Charity Fishing Tournament to help support our water quality protection work. The tournament is a reminder of one of the treasures of our region: our waterways. Without clean and abundant supplies of water, recreational and sport fishing would be a thing of the past.

The Conservancy of Southwest Florida began in 1964 when a group of community leaders came together to defeat a proposed “Road to Nowhere” that would have destroyed the beauty, tranquility, and productivity of Rookery Bay and the Ten Thousand Islands. Since then, the Conservancy has protected our natural resources through science-based policy solutions in order to protect what we cherish: our water, land, wildlife, and future.

We believe that blue-green algae, red tide, and polluted waterways are everyday reminders that all is not well in this paradise we love. We recognize that the quality of our environment is linked to our economic viability, recreation, and enjoyment of all this area has to offer.
